

## Servagnin de Morges

- 1) Only the original Servagnin clone of Pinot Noir grown in the district of Morges - La Côte (which includes the commune of Saint-Prex) qualifies for the AOC
- 2) Maximum yield: 50 hectolitres/hectare
- 3) Minimum *élevage*: 16 months in oak barrels
- 4) Earliest release: April 1 of the second year
- 5) Certification: blind tasting by a duly appointed panel (Commission du Servagnin)
- 6) If certified: must carry the signature red capsule
- 7) If rejected: de-classification to Pinot Noir
